If you represent a company, you represent and warrant that you are authorized to enter into this agreement for that company. If you do not agree to the terms of this Agreement, your use is prohibited and you may not install, download, copy or otherwise use the Software.

The Software is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. The Software is licensed (not sold) to you, and its use is subject to the terms of this Agreement. This is NOT a sale contract.

1. DEFINITIONS.

1.1 "Software" means ONETECH technology and other proprietary information relating to the MicroAI Atom™ Engine, which includes, but is not limited to application programming interfaces ("API"), EXE files, software development kit, software tools, sample code (in object code form) and Documentation. Software shall include any future, updated or otherwise modified version(s) thereof furnished by ONETECH (in its sole discretion) to Licensee.

1.2 "Documentation" includes, but is not limited to specifications, programmer guides, materials, manuals, CDs, and other information provided in the Software, appropriate or necessary for use in connection with the Software.

2. GRANT OF LICENSE. Subject to the terms of this Agreement, ONETECH hereby grants Licensee a limited, non-exclusive, non-commercial, non-assignable, non-transferable, revocable, royalty-free license (without the right to sublicense) to download, install and use the Software solely for evaluation purposes solely during such period as authorized by ONETECH, including evaluation in connection with Licensee's future internal development efforts to develop applications to work in conjunction with the ONETECH products referenced in the Software and for which the Software was provided. Licensee shall have no right to distribute, license (whether or not through multiple tiers) or otherwise transfer the Software to any third party, incorporate the Software in any software, product, or technology or otherwise use the Software except for the intended purpose expressly described herein.

3. OTHER RIGHTS AND LIMITATIONS.

3.1 Copies. Licensee may copy the Software only as necessary to exercise its rights hereunder; provided, however, that Licensee may also make one (1) copy for back-up purposes and any reproduction of the Software must be marked with the proprietary notices provided on the original Software.

3.2 No Reverse Engineering. Licensee shall have no rights to any source code for any of the software in the Software, except for the explicit rights to use the source code as provided to Licensee hereunder. Licensee may not reverse engineer, decompile, modify, or disassemble the Software (or any components thereof) or

otherwise reduce the Software to human-perceivable form in whole or in part, except and only to the extent that such activity is expressly permitted by this Agreement or applicable laws.

3.3 Independent Development. The terms of this Agreement shall not be construed to limit ONETECH's right to, or use of, without compensation from ONETECH, feedback from Licensee to, independently develop or acquire products. Licensee acknowledges that ONETECH may currently or in the future be developing products that are similar to products being developed by Licensee. Accordingly, nothing in this Agreement will prohibit ONETECH from developing or having developed for its products, concepts, systems, or techniques that are similar to or compete with the products, concepts, systems, or techniques contemplated by Licensee. Feedback consists of any of your suggestions, comments, or other feedback whether it is required or provided on a voluntary basis, relating to the Software. If you provide ONETECH with any feedback, as part of the evaluation for the Software, you agree that: (a) ONETECH, its licensors and agents may freely use, disclose, reproduce, license, distribute and commercialize such feedback in future versions of the Software or any other ONETECH product, specifications, or other documentation, without charge; and (b) you will not give ONETECH any feedback (i) that you know or have reason to believe is subject to any patent, copyright, or other intellectual property claim or right of any third party; or (ii) that is subject to license terms that seek to require any future versions of the Software incorporating or derived from any feedback, or other ONETECH intellectual property, to be licensed or otherwise shared with any third party.

3.4 Third Party Software. Licensee acknowledges that effective utilization of the Software may require the use of a development tool, compiler and other software and technology of third parties ("Third-Party Software"). Licensee is solely responsible for procuring such Third-Party Software and technology and the necessary licenses for the use thereof. ONETECH makes no representation or warranty concerning Third-Party Software and shall have no obligation or liability with respect to Third-Party Software.

3.5 U.S Government Restricted Rights. The Software and Documentation provided by ONETECH pursuant to this Agreement are "Commercial Items," as the term is defined at 48 C.F.R. §2.101, consisting of "Commercial Computer Software" and "Commercial Computer Software Documentation," as such terms are used in 48 C.F.R. §12.212 or 48 C.F.R. §227.7202, as applicable. 3.6 No Implied Rights. All rights not expressly granted are reserved by ONETECH and, except as expressly set forth herein, no license is granted by ONETECH under this Agreement directly, by implication, estoppel or otherwise, under any patent, copyright, trade secret or trademark or other intellectual property right of ONETECH. Nothing herein shall be deemed to authorize Licensee to use ONETECH's trademarks or trade names in Licensee's advertising, marketing, promotional, sales or related materials. ONETECH reserves all rights not otherwise expressly granted in this Agreement.

3.7 Non-Assertion by Licensee. Licensee agrees not to assert any patent rights related to the Software or applications developed using the Software against ONETECH, ONETECH's distributors, ONETECH customers, or other licensees of the Software for making, using, selling, offering for sale, or importing any products or technology developed using the Software.

3.8 Benchmark Tests. Licensee may not publish the results of any benchmark tests run on the Software without written permission from ONETECH.

3.9 Intended Purpose. Licensee may only use the Software for their intended purpose as permitted under this Agreement. Licensee may not use or attempt to use features of the Software that ONETECH has not exposed or enabled for the purpose of utilizing the Software.

3.10 Enablement. A license key may be required in order to enable and expose APIs on certain products.

3.11 Open Source Licenses. The Software includes certain open source code software and materials (as shall be listed in the Documentation) ("Open Source Software") that are subject to their respective open source licenses ("Open Source Licenses"). Such Open Source Licenses contain a list of conditions with respect to warranty, copyright policy and other provisions. By entering into this Agreement, Licensee undertakes to strictly comply with the terms and condition of the Open Source Licenses, as may be amended from time to time. In order to comply with the Open Source Licenses, Licensee shall read the respective licenses or notices, such list of Open Source Licenses may be amended from time to time by ONETECH, at its sole discretion. In the event of any inconsistencies or conflicting provisions between the provisions of the Open Source Licenses and the provisions of this Agreement, the provisions of the Open Source Licenses shall prevail. Without derogating from the generality of the foregoing, it is clarified that any Open Source Software is provided on an "AS IS" basis, without indemnity or warranty of any kind, whether express or implied.

3.12 High Risk Activities. Licensee acknowledges that the Software is not fault tolerant and is not designed, manufactured, or intended for use or resale as on-line control equipment in hazardous or high risk environments and activities requiring fail-safe performance (such as in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, direct life support machines and/or devices, or weapons systems) in which the failure of the Software could lead directly to death, personal injury, or severe physical or environmental damage, and Licensee agrees not to use or allow the use of the Software or any portion thereof for, or in connection with, any such environment or activity.

4. OWNERSHIP. As between ONETECH and Licensee, ONETECH or its licensors shall own and retain all proprietary rights, including all patent, copyright, trade secret, trademark and other intellectual property rights, in and to the Software and any corrections, bug fixes, enhancements, updates, improvements, or modifications thereto and Licensee hereby irrevocably transfers, conveys and assigns to ONETECH all of its right, title, and interest therein. ONETECH shall have the exclusive right to apply for or register any patents, mask work rights, copyrights, and such other proprietary protections with respect thereto. Licensee acknowledges that the license granted under this Agreement does not provide Licensee with title or ownership to the Software, but only a right of limited use under the terms and conditions of this Agreement.

5. SUPPORT. ONETECH may not provide any support for the Software under this Agreement. Nothing herein shall be construed to require ONETECH to provide support services or updates, upgrades, bug fixes or modifications to the Software.

6. CONFIDENTIALITY. The Software contains valuable proprietary information and trade secrets of ONETECH and its suppliers that remain the property of ONETECH. Licensee shall protect the confidentiality of, and avoid disclosure and unauthorized use of, the Software. Licensee shall not disclose, advertise, or publish the terms and conditions of this Agreement without the prior written consent of ONETECH. Any press release or publication regarding this Agreement is subject to prior review and written approval of ONETECH.

7. NO WARRANTY. THE SOFTWARE AND DOCUMENTATION ARE PROVIDED "AS-IS" WITHOUT ANY WARRANTY WHATSOEVER. TO THE FULL EXTENT ALLOWED BY LAW, THE FOREGOING WARRANTIES AND REMEDIES ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, TERMS, OR CONDITIONS, EXPRESS OR IMPLIED, EITHER IN FACT OR BY OPERATION OF LAW, STATUTORY OR OTHERWISE, INCLUDING

WARRANTIES, TERMS, OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SATISFACTORY QUALITY, CORRESPONDENCE WITH DESCRIPTION, AND NON-INFRINGEMENT, ALL OF WHICH ARE EXPRESSLY DISCLAIMED. NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED BY YOU FROM ONETECH OR THROUGH OR FROM THE SOFTWARE SHALL CREATE ANY WARRANTY NOT EXPRESSLY STATED IN THIS AGREEMENT. ONETECH DOES NOT WARRANT THAT THE SOFTWARE AND DOCUMENTATION ARE SUITABLE FOR LICENSEE'S USE, THAT THE SOFTWARE OR DOCUMENTATION ARE WITHOUT DEFECT OR ERROR, THAT OPERATION WILL BE UNINTERRUPTED, OR THAT DEFECTS WILL BE CORRECTED. FURTHER, ONETECH MAKES NO WARRANTY REGARDING THE RESULTS OF THE USE OF THE SOFTWARE AND DOCUMENTATION.

8. LIMITATION OF LIABILITY. YOUR USE OF THE SOFTWARE IS AT YOUR SOLE RISK. YOU WILL BE SOLELY RESPONSIBLE FOR ANY DAMAGE TO YOUR COMPUTER SYSTEM OR LOSS OF DATA THAT RESULTS FROM THE DOWNLOAD OR USE OF THE SOFTWARE. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL ONETECH OR ITS SUPPLIERS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION DAMAGES FOR LOSS OF BUSINESS PROFITS OR REVENUE; BUSINESS INTERRUPTION OR WORK STOPPAGE; COMPUTER FAILURE OR MALFUNCTION; LOSS OF BUSINESS INFORMATION, DATA OR DATA USE; LOSS OF GOODWILL; OR ANY OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE OR THE PROVISION OF OR FAILURE TO PROVIDE SUPPORT SERVICES, EVEN IF ONETECH OR ITS SUPPLIER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL ONETECH'S SUPPLIERS BE LIABLE FOR ANY DIRECT DAMAGES WHATSOEVER ARISING OUT OF THE USE OR THE INABILITY TO USE THE SOFTWARE. IN ANY CASE, ONETECH'S ENTIRE LIABILITY SHALL BE LIMITED TO THE GREATER OF THE AMOUNT ACTUALLY PAID BY LICENSEE FOR THE SOFTWARE OR U.S. \$100.00.

9. INDEMNITY. You agree to indemnify and hold harmless ONETECH and its subsidiaries, affiliates, officers, agents, co-branders, customers, suppliers or other partners, and employees, from any loss, claim or demand, including reasonable attorneys' fees, made by any third party due to or arising out of your use of the Software, your connection to the Software, or your breach of this Agreement.

10. DISCLAIMER. Some countries, states, or provinces do not allow the exclusion or limitation of implied warranties or the limitation of incidental or consequential damages for certain products supplied to consumers, or the limitation of liability for death or personal injury, so the above limitations and exclusions may be limited in their application to you. When the implied warranties are not allowed to be excluded in their entirety due to local law, they will be limited to the duration of the applicable warranty.

11. TERM AND TERMINATION.

11.1 This Agreement will terminate automatically if you fail to comply with any of the terms and conditions of this Agreement and you will be liable to ONETECH and its suppliers for damages or losses caused by your non-compliance. Either party shall have the right to terminate the Agreement, upon written notice to the other party.

11.2 Upon termination of this Agreement, Licensee will immediately cease using the Software and Documentation, and at ONETECH's direction, Licensee agrees to destroy all adaptations or copies of the Software and Documentation or return them to ONETECH.

11.3 ONETECH shall have the right to audit your use of the Software in conjunction with this Agreement, and you will provide reasonable assistance for this purpose.

11.4 The rights and obligations of the parties contained in Sections 1, 3.2 – 3.8, and 4 through 12 shall survive any expiration or termination of this Agreement.

12. MISCELLANEOUS.

12.1 Assignment. Licensee may not assign this Agreement or any interest or rights granted hereunder to any third party without the prior written consent of ONETECH. A change of control or reorganization of Licensee pursuant to a merger, sale of assets or stock shall be deemed to be an assignment under this Agreement. This Agreement shall terminate immediately upon occurrence of any prohibited assignment.

12.2 Export Controls. You acknowledge that the Software may be subject to export restrictions of various countries. You shall fully comply with all applicable export license restrictions and requirements as well as with all laws and regulations relating to the importation of the Software, in the United States and in any foreign jurisdiction in which the Software is used. You further acknowledge that the Software may include technical data subject to export and re-export restrictions imposed by U.S. laws, rules, and regulations.

12.3 Waiver. No failure by either party to exercise or enforce any of its rights under this Agreement will act as a waiver of such rights and no waiver of a breach in a particular situation shall be held to be a waiver of any other or subsequent breach.

12.4 Severability. If any provision of this Agreement is found invalid or unenforceable, that provision will be enforced to the maximum extent possible and the other provisions of this Agreement will remain in force.

12.5 Governing Law. You expressly agree that the exclusive jurisdiction for any claim or action arising out of or relating to this Agreement shall be the courts located in Dallas, Texas, and you further agree and submit to the exercise of personal jurisdiction of such courts for the purpose of litigating any such claim or action.

12.6 Compliance. Licensee shall comply fully with all applicable federal, state, and local laws and regulations in the use of the Software in accordance herewith.

12.7 Entire Agreement. This Agreement represents the complete agreement concerning the Software and may be amended only by a writing executed by both parties.
